Club Kerry NYC: DJ Kerry John Poynter

EDM for the masses. Dance music that was embraced by the top 40 pop crowd in the U.S. and U.K. in 2013. Fourteen of my fave tracks all mixed into one glorious hour of beats. "*I crashed my car into a bridge. I don't care. I love it! This is the remix.*" Icona Pop & Sick Individuals, track #1. Enjoy!
